Auditing fee: \$20/day

Students are advised to bring a rope not less than 50 feet long with a breakaway honda. Loaner breakaway ropes will be available for student use during the clinic. Students shall only use one horse for the entire clinic, unless a horse becomes ill or unsound during the clinic and must be replaced. Changing horses shall be only with the instructors' approval.

Age requirement: 12 yrs. (unless by special arrangement).

FREQUENTLY ASKED QUESTIONS

Q. I've never been to a clinic before and I'm nervous about it, how can I prepare?

A. These clinics are a fun, relaxed, supportive learning environment. Your concern will dissipate in the first few minutes of the clinic. Just bring an open mind and a willing heart.

Q. Do I need my own horse for the clinic?

A. Yes.

Q. How much experience do I need to participate in a clinic?

A. All levels are welcome.

Q. How many horses can I bring/ride in the clinic?

A. Students are only allowed one horse for the duration of the clinic. Some students bring a back-up horse in the event the horse they have selected for the clinic becomes ill, sore or lame. In the event of such an occurrence, switching to the back-up horse shall be at the discretion of The Californios Inc.

Q. Are there additional fees due when I arrive at the clinic?

A. Clinics that require cattle frequently have a stock charge, though that is at the discretion of the clinic sponsor and is collected by them. Stall fees may or may not be due depending on the facility requirements. A facility fee may be required for clinics that are held in covered arenas. Please check with the individual clinic sponsor in advance for information on the above fees and any additional fees that may be required.

Q. Should my horse be shod for the clinic?

A. Horses are usually more comfortable shod but the choice ultimately is up to the rider.

Q. Can I video or have someone else video the clinic?

A. No. Videoing is prohibited.

Q. Can I bring my dog to the clinic?

A. Be sure to check with the clinic sponsor regarding the dog policy for the clinic.
